BAME LONE PARENTS NETWORK LTD

Three-Year Strategic Development Plan 2026–2028

Founded by Princess Glory · Established 2022

Empowering Individuals. Strengthening Families. Transforming Communities.

1. Executive summary

BAME Lone Parents Network Ltd is a UK-based humanitarian, educational, economic empowerment and community development organisation committed to improving the lives of single-parent families, disadvantaged children, women, older adults and underrepresented communities.

Since its establishment in 2022, the organisation has grown beyond traditional single-parent support into educational advancement, vocational training, women's entrepreneurship, digital inclusion, humanitarian assistance, healthy ageing and international community development.

Our Three-Year Strategic Development Plan sets out how we will strengthen existing programmes, extend our humanitarian reach, develop sustainable funding, increase our capacity and become a recognised national and international voice for underserved communities.

Our approach is to move beyond immediate humanitarian assistance by creating opportunities for education, independence, social mobility and long-term personal development.

2. Our vision

A society where individuals, regardless of their family circumstances, age, ethnicity or economic background, have opportunities to live with dignity, achieve their potential and participate meaningfully in society.

3. Our mission

To empower individuals, strengthen families and transform communities through practical humanitarian assistance, education, economic empowerment, advocacy, lifelong learning and sustainable community development.

4. Our core values

Value	Our commitment
Compassion	Responding to the needs of disadvantaged individuals and communities.
Dignity	Treating every individual with respect and protecting their self-worth.
Empowerment	Equipping individuals with knowledge, skills and resources.
Inclusion	Creating opportunities for underrepresented communities.
Education	Promoting lifelong learning and educational advancement.
Independence	Supporting individuals towards greater self-sufficiency.

Value	Our commitment
Integrity	Maintaining honesty, transparency and accountability.
Collaboration	Building meaningful partnerships to extend our impact.
Innovation	Embracing technology and new approaches to community development.
Sustainability	Creating opportunities for lasting social change.

5. Our foundation of impact

This plan builds on humanitarian and community achievements already delivered by BAME Lone Parents Network. All figures below are confirmed by our founder.

Figure	Achievement	Year
100	Families provided with food	2023
5	Refrigerators donated	2023
5	Bunk beds with complete bedding	2023
45	Families supported with Christmas gifts	2024
25	Laptops and tablets donated	2024
10	Single mothers received blenders	2024
50+	Adults over 60 received AI training	2026
40+	Community lunch attendees	2026
4	Countries reached	International humanitarian work

Educational advancement. Three mothers supported with successful private secondary school scholarship applications in London. Their children have since progressed to university.

Economic empowerment. Sewing machine donations, hairdressing salon development in The Gambia, makeup business equipment, jewellery-making training sponsorship, business branding and trademark application assistance.

6. Our ten strategic goals

1. Single Parent & Family Empowerment
2. Women’s Economic Empowerment & Entrepreneurship
3. Educational Advancement & Social Mobility
4. GoldenCare 60+ & Ageing Without Family Support
5. Digital Inclusion, AI & Lifelong Learning
6. Health, Mental Wellbeing & Social Inclusion

7. Humanitarian Assistance & Poverty Reduction
8. International Humanitarian Development
9. Advocacy, Research & National and International Recognition
10. Organisational Growth, Partnerships & Financial Sustainability

Strategic Goal 1 — Single Parent & Family Empowerment

Focus: Strengthening single-parent families through practical support, parenting education, mentoring, community connection and opportunities for independence.

2026 — Establish and strengthen

- Review existing single-parent support programmes.
- Develop a central beneficiary registration and support assessment system.
- Strengthen parenting workshops, mentoring and peer support.
- Develop Mentor-Me, E.D.U. and Y-PMAC programmes.

Older adults receiving practical support or appropriate referrals	100
Research and advocacy publications	2

Indicator	Target by 2028
Participants reporting improved social connection	75% of survey respondents

Strategic Goal 5 — Digital Inclusion, AI & Lifelong Learning

Focus: Reducing digital exclusion and ensuring that age, ethnicity and financial circumstances do not prevent access to technology and education.

This strategic goal builds upon the distribution of 25 laptops and tablets in 2024 and AI training delivered to more than 50 adults aged over 60 in 2026.

2026 — Establish and strengthen

- Document existing AI and digital education achievements.
- Develop a structured digital literacy curriculum.
- Consolidate digital skills within monthly training activities.
- Establish a technology donation and sponsorship framework.
- Develop introductory digital safety resources.

2027 — Expand and develop

- Launch GoldenCare AI & Digital Inclusion as a dedicated programme.

7. Strategic flagship programmes

Programme	Focus
BAME Family Empowerment	Parenting, mentoring, financial support, family stability and opportunities for independence.
BAME HER ENTERPRISE	Women’s economic empowerment, vocational development, business equipment and entrepreneurship.
Education Without Barriers	Educational sponsorship, scholarships, literacy, school development and teacher empowerment.
BAME GoldenCare 60+	Healthy ageing, independent living, companionship, AI education and ageing without family support.
BAME MindBloom	Emotional wellbeing, resilience, mental health education and social inclusion.
Compassion Without Borders	International humanitarian assistance, educational development and women’s empowerment.

8. Alignment with the UN Sustainable Development Goals

Our strategic priorities are thematically aligned with these Sustainable Development Goals:

- Goal 1: No Poverty
- Goal 2: Zero Hunger
- Goal 3: Good Health and Wellbeing
- Goal 4: Quality Education
- Goal 5: Gender Equality
- Goal 8: Decent Work and Economic Growth
- Goal 10: Reduced Inequalities
- Goal 11: Sustainable Cities and Communities
- Goal 17: Partnerships for the Goals

This alignment reflects our commitment to internationally recognised development objectives. It does not imply any formal United Nations affiliation or accreditation.

9. Strategic implementation roadmap

Year	Phase	Focus
2026	Phase one: Foundation & Consolidation	Document achievements, restructure programmes, redevelop the website, strengthen governance and establish the organisational development framework.
2027	Phase two: Expansion & Public Recognition	Develop flagship programmes, expand training, establish partnerships, pursue funding, publish research and strengthen national visibility.
2028	Phase three: Sustainability & International Growth	Scale successful programmes, strengthen financial sustainability, develop international collaborations and establish a recognised advocacy platform.

10. Strategic performance dashboard

Target by 2028	Measure
500	Single parents reached
300	Older adults supported
200	Women receiving enterprise or employability support
250	Children receiving educational support
300	Digital skills learners
400	Wellbeing education participants
300	Families receiving food assistance
100	Teachers receiving professional development
50	Trained volunteers
20	Corporate and institutional partners
£100k	Cumulative funding and sponsorship
4	Countries with documented humanitarian activities

These are proposed planning targets for the end of 2028, not current achievements. People may take part in more than one programme, so the targets must not be added together to give a total number of people.

11. Monitoring, evaluation and accountability

Monitoring area	Measurement method
Humanitarian assistance	Donation and distribution records
Programme participation	Registration and attendance records
Educational advancement	Documented educational progression
Enterprise development	Business start-up and follow-up assessments
Digital inclusion	Confidence surveys before and after training
Social isolation	Voluntary participant feedback
Mental wellbeing education	Educational feedback and appropriate wellbeing measures
Financial assistance	Application, referral and assistance records
Partnerships	Signed agreements and collaboration records
Financial sustainability	Financial reports and funding records
International projects	Project reports and approved supporting evidence
Advocacy	Published reports, submissions and documented engagement

Review schedule

Frequency	Activity
Monthly	Programme activities and beneficiary records
Quarterly	Strategic performance and financial review
Every six months	Programme evaluation and development review
Annually	Impact report, strategic review and revised priorities
End of 2028	Full strategic evaluation and the next development plan

12. Strategic risk management

Potential risk	Proposed mitigation
Insufficient funding	Diversify sponsorship, partnerships and suitable grant applications
Founder dependency	Develop programme leadership and delegation
Limited volunteer capacity	Establish structured recruitment and training
Too many simultaneous programmes	Prioritise flagship initiatives and phased delivery
Inadequate impact evidence	Maintain beneficiary and project records

Potential risk	Proposed mitigation
Safeguarding concerns	Implement approved safeguarding procedures
Data protection risks	Use secure systems and collect only necessary information
International delivery challenges	Establish due diligence and local accountability
Reputational risks	Publish accurate, evidence-supported organisational information
Financial sustainability	Develop budgets, reserves and regular financial reviews
Programme duplication	Strengthen collaboration with existing organisations
Leadership succession	Develop leadership and operational continuity plans

13. Proposed organisational leadership structure

To support sustainable growth, the organisation will progressively establish the following functions, according to available resources.

- Founder & Strategic Leadership — Princess Glory
- Governance & Organisational Oversight
- Operations & Programme Management
- Family Empowerment Coordinator
- Enterprise Development Coordinator
- Education & Youth Coordinator
- GoldenCare 60+ Coordinator
- Health & MindBloom Coordinator
- International Projects Coordinator
- Fundraising & Partnerships Coordinator
- Media, Research & Advocacy Coordinator
- Finance & Administration
- Safeguarding & Volunteer Management

These functions do not all require separate paid employees. Initially, responsibilities can be combined or assigned to suitably experienced volunteers.

14. Strategic vision beyond 2028

By the end of this strategic period, BAME Lone Parents Network aims to have developed into:

- A recognised voice for single-parent families
- A specialist advocate for older adults ageing without immediate family support
- A platform for women’s economic empowerment
- A provider of accessible educational and digital learning opportunities
- A contributor to educational social mobility

- A credible humanitarian and community development organisation
- A valued partner to educational institutions, corporate organisations and community stakeholders
- An organisation able to demonstrate genuine, measurable social impact
- A platform for national and international advocacy, research and community development

15. Our strategic declaration

BAME Lone Parents Network is committed to creating opportunities where barriers exist, restoring dignity where hardship is experienced and empowering individuals to develop their full potential.

We believe that single parenthood should not prevent economic advancement.

We believe that financial circumstances should not determine a child's educational future.

We believe that age should never be a barrier to learning, innovation or meaningful participation in society.

We believe that older adults without immediate family support deserve dignity, companionship and recognition.

We believe that women should have access to the knowledge, skills and resources necessary to pursue economic independence.

Through compassion, education, empowerment, advocacy and collaboration, we will continue working towards stronger individuals, stronger families and stronger communities.

From Hardship to Independence.

From Education to Opportunity.

From Skills to Enterprise.

From Digital Exclusion to Innovation.

From Loneliness to Belonging.

From Compassion to Transformation.

Empowering Individuals. Strengthening Families. Transforming Communities.
